Date: 8th September 2024

It has been one month since we were left numb with the news of tragic death of one of our junior colleagues at RG KAR Medical College and Hospital. The painstaking process to nab the culprit/s is yet to be over. We hope that investigating agencies wrap up their investigation as soon as possible to bring justice for the deceased and her near ones.

We, the members of West Bengal Chapter of Indian Society of Gastroenterology, stand in solidarity with everyone in this city and around the world in demanding the justice for the heinous crime.

We hope our wait to see the culprit/s behind the bar will end soon.
