

TOMORROW'S WORLD

Indian Society of Gastroenterology

(West Bengal Chapter)

Annual Conference 2018

HYATT REGENCY, KOLKATA ♦ 9-10 FEBRUARY 2018

*God gave us the gift of life; it is up to us
to give ourselves the gift of living well.*

Voltaire

Dear members, friends and PG students,

This relentless change, which is about the only constant in medicine today, will once again be our guiding force in shaping the 2018 ISG (WB) Annual Conference on the 9th and 10th of February at Hyatt.

Our speakers and innovators include :

Prof. Rajiv Jalan delivering the KN Jalan oration. This will be an end of conference highlight on 10th Saturday at 1PM.

Prof Mark McAlindon from Sheffield who received the BSG award this year for his inspiring work on a Robot controlled capsule.

Dr. Joseph Chao from Los Angeles USA who will talk on 'state of the art' care in upper GI malignancies.

The 9th evening holds promise of outshining last year's rocking party - and that's saying something.

Please remain in touch and all inputs are welcome.

Best wishes,

Dr Kalyan Bose

Dr Abhijit Chowdhury

*To improve is to change;
to be perfect is to change often.*

W. Churchill

Our Indian faculty includes stalwarts like :

Dr Subrat K Acharya

Dr Y K Chawla

Dr Samiran Nundy

Dr J B Dilawari

Dr Gourdas Choudhuri

Dr Ujjal Poddar

Dr Amit Maydeo

Dr Vineet Ahuja

Dr Govind Makharia

Dr Rupjyoti Talukdar

among others.....

**Once we firm up a tentative programme we shall revert with
a clearer sequence of events.**
